

Sports Premium 2017-2018

What is Sport Premium?

Sport Premium is an amount of money which the government has agreed to allocate to schools. It is currently £16,000 per school and £10 per pupil. The funding amount schools receive is based upon the number of children of primary age the school has at January of that year. The sport premium is to be used to increase the quality and breadth of PE & Sport provision, and increase participation in PE & Sport.

At Ropery Walk, we strive to promote healthy and active lifestyles and aim to provide sporting opportunities for all our pupils.

Sports Premium 2017-2018

The **2017-2018** Sport Premium funding for Ropery Walk Primary School is being used for:

1. Investing in the Easington School Sport Partnership Service Level Agreement to provide the school with the following:

- Liaise with the school to develop an annual bespoke PE & Sport action plan.
- Providing curriculum support and high quality CPD for teachers, teaching assistants, NQT's, team teaching, twilights, professional development days etc.
- Provision of High Quality Coaching support across a variety of sports.
- A full organised annual programme of competitions/tournaments/festivals **in addition** to the National School Games.
- Participation, inclusion and excellence opportunities.
- Provision of an after-school activity in every term in a variety of sports.
- SSP Network meetings to support PE Co-ordinators / PLTs in their role developing PE & sport within their school.
- Identifying opportunities for young leaders to practise their skills through volunteering in schools.
- Assistance in the process of applying for national 'Kitemark' status for High Quality Provision of PE & School Sport.
- Promotion and development of links to local sports club.
- Sustain and grow the network of Change4Life clubs.
- Central co-ordination of school sport programmes in SSP areas.

2. Transport for festivals / tournaments for children to take part in competitive events with children from other schools.

3. Equipment

- Full football kits for both the A and B school teams.

4. External companies

- Hoopstars delivered alternative opportunities for disengaged pupils and those who prefer non-traditional sports. Hoopstarz offered a fantastic cardio workout (addressing the rise in obesity) while building confidence and self-esteem. Hoopstarz offered fresh new ideas to use in physical activity sessions.

Sports Premium Impact

What was the Impact?

The Sport Premium Funding has impacted our school in the following ways:

1) Engage all pupils in regular physical activity – kick-starting healthy active lifestyles

Our school continues to offer weekly physical activity through Physical Education (P.E.) lessons from Reception to Year 6. P.E. lessons are delivered from a balanced and varied yearly timetable. As part of the school's 'Mile a Day', children run around a marked course in the yard for a given period of time each day. The aim is to improve on their number of laps as we move through the year.

2) The profile of PE and sport being raised across the school as a tool for whole school improvement

Sport and P.E. is used across school as a method to improve children's confidence, behaviour and motivation. Sports Leaders support with physical activity lessons, aiming to improve their confidence to deliver. Other procedures involve awarding participation certificates for those who compete in competitions, during whole school assemblies. Our school actively promotes all teams through our social media and via our website.

3) Increased confidence, knowledge and skills of all staff in teaching PE and sport

Staff are offered training through staff meetings and briefings and are offered the opportunity to discuss sessions/programmes with the Subject Lead. All staff have task cards and supporting lesson plans to guide them through each unit they are expected to deliver. Training is given to new staff and those requesting lesson support through the agreement with the School Sport Partnership. The Subject Lead has also used the SSP to develop his skills.

4) Broader experience of a range of sports and activities offered to all pupils

Children in our school are offered a full range of sports and activities to show and develop their skills. These activities are offered through P.E. lessons, extra-curricular activities and during break time activities.

5) Increased participation in competitive sport

Through our involvement with the School Sport Partnership, we entered 4 festivals/tournaments in 2017/18. These were aimed at children from year 2 to year 6. In addition to this, our school competed in football fixtures organised through the Seaham and District Primary School Football Association.

How we ensure Sustainability?

To ensure the Sports Premium is sustainable we will ensure that –

- We invest in, and utilise the support offered by, the School Sport Partnership
- A range of clubs are offered by other external providers and there is a programme in place to ensure different children are targeted to attend.
- Staff pass on skills and ideas through staff meetings/briefings and also to colleagues.

Extra-curricular clubs / activities

Throughout the year, we offered a range of extra-curricular clubs in a variety of sports, activities and age groups.

Competitions

The support and extra-curricular provision has enabled a number of children to take part in competitions and festivals with children from across the county. Sports Premium money also enables us to provide transport to attend these tournaments.

School Games Mark

Our school achieved Silver School Games Mark in 2017/18. This was awarded due to the quality of sport offered in the school. Criteria included;

- Participation in extra-curricular clubs
- Participation in competitive tournaments
- Sports Crew and other children who report on and lead school sport

Swimming Data

Meeting national curriculum requirements for swimming and water safety	Please complete all of the below:
What percentage of your Year 6 pupils could swim competently, confidently and proficiently over a distance of at least 25 metres when they left your primary school at the end of last academic year?	97%
What percentage of your Year 6 pupils could use a range of strokes effectively [for example, front crawl, backstroke and breaststroke] when they left your primary school at the end of last academic year?	90%
What percentage of your Year 6 pupils could perform safe self-rescue in different water-based situations when they left your primary school at the end of last academic year?	97%
Schools can choose to use the Primary PE and Sport Premium to provide additional provision for swimming but this must be for activity over and above the national curriculum requirements. Have you used it in this way?	No
